Subject: Approve and authorize the County Judge to sign the El Paso County Tax Assessor-Collector Dealer Deputy Agreement with Ai Auto Exchange (P162302) authorizing them to act as a Dealer Deputy of the Tax Assessor-Collector in the processing of title/registration applications/motor vehicle sales tax receipts. (Contract No. 2024-0806)

Background: In September 2013, the Texas Department of Motor Vehicles (TXDMV) created a Web-Dealer program. Web-Dealer is an electronic title and registration system that processes title/registration applications from any internet-connected computer. Dealers will be able to process registration and title transactions electronically; they will no longer have to bring their transactions to the Tax office. The web-dealer program will create e-titles that lead to reducing title fraud. It will support electronic storage of all title information (e-titles) and read hard stops. The agreement will provide the following benefits:

- Convenience (improve dealer and customer service)
- Help TAC provide title and registration needs to the public.
- Fee's paid thru ACH method, allows TAC confirmation of fees.
- Transactions are not lost.
- Dealer knows status of transaction.
- No manual handling of title transactions by TAC.
