Mr. Sam Trujillo, Interim Chief Human Resources Officer
Board of Trustees of the Risk Pool
for the El Paso County Health
and Life Benefits Fund
7878 Gateway East, Room 406
El Paso, Texas 79915

Dear Mr. Trujillo:

The schedule of all outstanding investments and the accrued interest in the Health and Life Benefits Fund as of March 31, 2025, is attached. The adjusted bank balance on March 31, 2025, was \$660,592 and TexPool Prime Balance was \$21,163,111, for a total balance of \$21,823,703. The March average interest rates for TexPool, TexPool Prime, and Vantage Bank were 4.33, 4.47, and 2.33 percent, respectively. Total interest earned year-to-date was \$489,401 compared to \$394,961 for the prior year, a \$94,440 or 23.91 percent increase in interest revenue. This increase in interest earnings was due to a 48.6 percent increase in investable funds, while interest rates have decreased by about 100 basis points. Revenues totaled \$3,199,029 and expenses totaled \$1,650,767 resulting in revenues over expenses of \$1,548,262 for the month, and year-to-date revenues over expenses of \$3,255,004. A \$615,000 transaction credit from Blue Cross Blue Shield for January 2025 reduced March Stop Loss expenses. Furthermore, a \$598,932 administrative fee waiver from Blue Cross Blue Shield for January 2025 reduced March Administrative fees. Expenses are expected to normalize once these credits are spent. Attached for your information are the unaudited receipts and disbursements schedule and the Risk Pool Board Revenue-Expenditure Report for March 2025.

Pursuant to the Local Government Code, Ch. 172.011, the trustees of a risk pool shall declare the pool as insolvent if the trustees determine that the pool is unable to pay valid claims within 60 days after the date the claim is verified. Claims are currently paid weekly as billed to the County in accordance with administrator contracts.

The Risk Pool Board is not required to maintain a reserve fund but has set its own target reserve equal to 90 days of claims expenses for calendar year 2025. As of March 31, 2025, based on 12 months of historical spending and current allocations, the Health Fund days of cash are 253 for claims expenses only and 224 for total expenses.

If you have any questions regarding this information, please contact Mr. James Utterback, manager senior-Financial Reporting, at extension 1142 or me.

Sincerely,

A handwritten signature in blue ink that reads "Barbara Parker".

Dear Mr. Trujillo:

The schedule of all outstanding investments and the accrued interest in the Health and Life Benefits Fund as of April 30, 2025, is attached. The adjusted cash fund balance on April 30, 2025, was (\$36,108) and TexPool Prime Balance was \$22,242,301, for a total balance of \$22,206,193. The difference in the fund balance and bank balance is due to a timing issue related to health claim expense and payroll transfer posting on the financial system. The ending bank balance for April was \$1,540,476. The April average interest rates for TexPool, TexPool Prime, and Vantage Bank were 4.34, 4.45, and 2.33 percent, respectively. Total interest earned year-to-date was \$571,608 compared to \$463,651 for the prior year, a \$107,957 or 23.28 percent increase in interest revenue. Revenues totaled \$3,209,131 and expenses totaled \$2,798,570 resulting in revenues over expenses of \$410,561 for the month, and year-to-date revenues over expenses of \$3,665,565. Attached for your information are the unaudited receipts and disbursements schedule and the Risk Pool Board Revenue-Expenditure Report for April 2025.

Pursuant to the Local Government Code, Ch. 172.011, the trustees of a risk pool shall declare the pool as insolvent if the trustees determine that the pool is unable to pay valid claims within 60 days after the date the claim is verified. Claims are currently paid weekly as billed to the County in accordance with administrator contracts.

The Risk Pool Board is not required to maintain a reserve fund but has set its own target reserve equal to 90 days of claims expenses for calendar year 2025.
