<b>Background:</b>	A Sponsored Research Agreement was entered into between the County of El Paso and the University of Texas El Paso (UTEP) with a retroactive date of October 1, 2020. This agreement was for the purpose of research and evaluation of the BJA grant funded Innovations in Reentry Initiative: Building System Capacity and Testing Strategies to Reduce Recidivism. Upon further discussions with the BJA, the original agreement should have been entered into as a Subrecipient Agreement because evaluators and research partners are considered subawards by the BJA. The purpose of this item is to change the initial Sponsored Research Agreement to a formal Subrecipient Agreement. This Subrecipient Agreement will also extend the term of the agreement from September 30, 2024, to September 30, 2025, per the request of UTEP for additional research.
