Re: Foreign Trade Zone Minor Boundary Modification/Subzone Expansions

Dear Mr. Panko,

On behalf of the El Paso County Commissioners Court, I am writing to formally express our full support for the Minor Boundary Modification and Subzone Expansion Applications under Foreign-Trade Zone (FTZ) 68, pertaining to the following properties:

- *SNRA Commodities, Inc.* at 1601 N. Fabens Road, Fabens, TX 79838
- *Worldhaul Logistics, LLC* at 13490 Pellicano Drive, El Paso, TX 79928

The inclusion of these properties within FTZ 68 will allow these companies to leverage the benefits of the FTZ program, enhancing their global competitiveness while supporting the growth of international trade and strengthening economic development within our region.

We believe that the approval of these applications will provide significant advantages for both the companies and the broader regional economy, and we offer our unequivocal support for the inclusion of these properties within the FTZ.

Thank you for considering this request. We look forward to the continued success of these businesses and their positive impact on the economic vitality of our community.

Sincerely,

Ricardo Samaniego
El Paso County Judge
