APPROVED PROJECT DESCRIPTION**

Funding for this project will consist of preliminary engineering, environmental review and design of a new transit facility that will accommodate the constant growth of the County Transit Service. The new facility will include office space, a repair shop, CNG (Compress Natural Gas) fueling system, parking space for transit fleet, and additional infrastructure required for operations.

The transit provider's response to the 2022 Coordinated Call for Projects on project grant agreements RD-2022-EL PASO CO-00034 and RD-2022-EL PASO CO-00034 is hereby incorporated into the project description except as amended in this attachment.

Subrecipient shall comply with Article 13: Project Records and Reports of the Master Grant Agreement requiring procurement and project milestones/ quarterly progress reports. Within 30 days of PGA execution, the subrecipient will provide the TxDOT Public Transportation Coordinator with a project milestone plan that delineates fund expenditures throughout the contract period.

Per Texas Administrative Code (TAC) 31.47, Audit and Project Close-Out Standards: The subrecipient shall make every reasonable effort to complete all project activities and request appropriate reimbursements within the time period specified in the project agreement. This PGA may be suspended or terminated for cause, mutual agreement, or convenience. Upon termination for convenience, the PGA may be cancelled without penalty by either party by providing thirty (30) days written notice to the other party. TxDOT will reimburse the subrecipient for eligible expenses up to the date specified in the notice of cancellation. Upon termination of a subgrant, the unexpended and unobligated funds awarded to the subgrantee immediately revert to the department.

This agreement is subject to the requirements of 49 CFR 26, participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs. A contract specific goal of 2.5% DBE participation has been established for this project. See Article 24 of the Master Grant Agreement for additional DBE requirements related to contract specific goals.
