| Background: | <p>The County of El Paso's Information Technology Department (ITD) is committed to supporting robust and functional IT solutions. ITD dedicates resources focused on understanding and maintaining organizational and technological solutions to achieve this goal. ITD strives to consolidate our IT solutions to leverage institutional knowledge, focused training, and more efficient support.</p> <p>Handheld radio devices are one of the critical communication devices for Public Safety agencies: Sheriff's Office, Animal Welfare, and Constables. The need for communication and coordination during an emergency response or a crisis management event is important for the safety of first responders and the community. The replacement of radio equipment will improve the quality and reliability of communication of individuals utilizing handheld radios.</p> <p>This hardware has a lifespan of seven years and will be used to replace radios that are out on the field that are over ten (10) years old. The equipment will come with 5 years of maintenance and support by our vendor and have more technological capabilities such as GPS to identify law enforcement location and provide better tracking.</p> <p>ITD is requesting that the Court approve and authorize the</p> |

County Judge to sign an Agreement for the continued use, support, and maintenance of this software. This agreement has been reviewed and approved by County Attorney's Office, and the Purchasing Department. ITD recommends approval.
