Notice:

Many Vendors utilize specific warranties, subscription agreements, license agreements, EULA's, etc. ("Supplemental Agreements") when you purchase specific goods or services from that Vendor. Since the Supplemental Agreements do not necessarily apply to every Member, every jurisdiction, or every purchase, TIPS does NOT now negotiate the terms of those agreements on Members' behalf. If you are required to sign such a supplementary agreement by the TIPS Vendor, TIPS strongly encourages Members not to proceed with a purchase until they have carefully reviewed and negotiated all applicable Supplemental Agreements. TIPS recommends you work with your entity's legal counsel to ensure compliance with the legal requirements of your entity and your jurisdiction.

DESCRIPTION

Sequel Data Systems is located just north of Austin Texas, where we dream big, work hard, and give our hearts to everything we do. Established in 1986 as a Digital Equipment Corporation VAR, we have grown to become one of the largest enterprise-focused Value-Added Reseller and IT Consulting firms in Texas. We also have a professional services team that delivers the intangible project benefits of customer service, communication, and great relationships with most hardware and software vendors. This means you'll experience a high level of support from us while also leveraging great relationships with software and hardware vendors to get the attention your project needs.
