Notes:

This Quote is an Order made pursuant to that certain Master Agreement dated October 14, 2020 by and between El Paso County, TX "Customer" and Intergraph Corporation, through its Hexagon Safety, Infrastructure, & Geospatial Division ("Hexagon").

This T&M quote is for RMS consulting services. ("The Project"). Hexagon and Customer will determine a mutually agreeable set of dates for the services to be performed. Hexagon's pricing and level of effort is predicated upon its understanding of Customer's System, and its configurations are based upon configurations Hexagon made for Customer during the most recent upgrade to the System. Customer shall have current backups of their existing System.

Customer must engage their third-parties and notify them of the date, or dates, for services to be performed. Customer shall be responsible for the operation and timely availability of external systems or third-party software necessary for the execution of the Project. Customer will also be responsible for any networking/firewall configuration between the interface server and third-parties, which must be done prior to testing the interfaces. If a delay in the Project is caused by a third-party vendor or by Customer failing to timely meet its obligations as outlined above, Hexagon services not covered in this SOW may be required at additional costs.

After all T&M hours are depleted, Hexagon, at its discretion, may quote additional T&M hours to Customer. No additional work will be conducted by Hexagon until Hexagon and Customer agree, in writing, to additional T&M hours. Should the customer require less time than estimated, Hexagon will only bill the Customer for the actual hours expended with no minimum amount penalty. Hexagon does not commit to firm deliverables or schedules when providing services on a Time and Materials basis.

By executing this quote Customer understands that the T&M hours included in this quote are for a period of performance valid through December 31, 2023 ("POP Date"). Unused hours not consumed during the POP Date are subject to Hexagon rate increases if the POP Date is extended. This quote is for remote consulting services and does not include travel costs or expenses. If travel is required, a Change Order will be required. Remote access will be provided in compliance with CJIS requirements as set forth within the Master Agreement.
