<b>Background:</b>	<p>A Sponsored Research Agreement was entered into between the County of El Paso and the University of Texas El Paso (UTEP) with a retroactive date of October 1, 2020. This agreement was for the purpose of research and evaluation of the BJA grant funded Innovations in Reentry Initiative: Building System Capacity and Testing Strategies to Reduce Recidivism. Upon further discussions with the BJA, the original agreement should have been entered into as a Subrecipient Agreement because evaluators and research partners are considered subawards by the BJA. The purpose of this item is to change the initial Sponsored Research Agreement to a formal Subrecipient Agreement. This Subrecipient Agreement will also extend the term of the agreement from September 30, 2024, to September 30, 2025, per the request of UTEP for additional research. There is no additional cost to this time extension.</p>
