Financial procedures for grant recipients

The financial management of each grant is the responsibility of the grantee. Though the grantee's accounting system does not have to be elaborate, it should (1) provide a method of depositing and disbursing funds for the purpose(s) outlined in the approved grant application and (2) provide a record that can be easily audited. The system of accounting employed by the grantee should be in accordance with generally accepted accounting principles, which must be applied in a consistent manner so that all project expenditures and in-kind contributions can be clearly identified. It should also be in accordance with the terms and conditions of the Grant Agreement.

If you have any questions regarding the financial procedures, please contact Director of Grants Marco Buentello at 512.440.1991 x129 or e-mail at marco@humanitiestexas.org.

Payments

Disbursements of grant funds from Humanities Texas (HTx) to organizations will be made in one payment, made upon receipt by HTx of the signed Grant Agreement but not before the beginning date of the grant period. No payments can be issued until this signed Grant Agreement is received. Once your signed Grant Agreement is received and the grant period has begun, please allow up to three weeks for the release of your payment.

Humanities Texas awards funds under federal Assistance Listing Number 45.129. Please see your Grant Agreement for more details, including the FAIN.

Grant period

The beginning and ending dates of a grant period should cover all phases of a project, from early publicity to the conclusion of the public events. All expenditures listed in your approved budget (both in kind and cash) must occur within the grant period listed in your Grant Agreement. The grant agreement must range from two to twelve months. Organizations with an existing, open grant period may not be considered for further grants under the same grant period.

Budget guidelines and procedures

The approved budget summary accompanying your Grant Agreement is considered a part of the agreement.

Significant changes to the approved budget summary require prior approval by HTx staff, per the Grant Agreement. Please submit a grant amendment form (available on the HTx website) to obtain approval. In an emergency, you may call for approval before submitting the written request.

Please note the following restrictions when planning your program and submitting your final report.

- **Honoraria:** This includes fees for consultants, speakers, and other humanities scholars. Although participants may receive a higher honorarium, no more than \$1,000 per speaker per presentation may be paid with HTx funds.
- **Travel & Lodging:** Travel in connection with project activities is reimbursable at the current rate listed on the U.S. General Services Administration website at www.gsa.gov for both privately owned vehicles and rental cars, and at economy class for airfare. Actual food and lodging expenses are reimbursable, although no more than \$135 per day per presentation may be paid from HTx funds. Except for Canada and Mexico, only the U.S. portion of international airfare may be paid from HTx funds. In the case of Canada and Mexico, participants should use U.S. carriers where possible and feasible.
- No HTx funds may be used to pay for alcoholic beverages.
- No HTx funds may be used to purchase equipment (single items of \$5,000 or more).

If you have any questions about these or other grant requirements, please contact the HTx office.

Please note that significant changes to the approved budget summary require prior approval by HTx staff. Changes that violate funding guidelines will not be approved.
