Any adjustments to a Resident’s level of care will be mutually agreed upon, yet ultimately approved by the Juvenile Probation Department Special Programs Unit Director, Placement Coordinator or designee. If a Resident's Probation Officer is unable to personally attend the ITP Review Meeting, Service Provider will accommodate the Probation Officer's participation via conference call or other means. Once a Resident has met the goal(s) identified in the ITP, new goals should be developed for the Resident. The ITP must contain documentation acknowledging that the plan was developed in consultation with the Resident, the Resident's parent/legal guardian/custodian, and the Resident's Probation Officer. A copy of the placement justification will be submitted to the Juvenile Probation Residential Contract Care Supervisor and the Resident's Probation Officer within 10 working days following an ITP meeting.

6.12 **Emergency Notification.** Service Provider will immediately notify a Resident's parent/legal guardian/custodian, the Resident's Probation Officer, and the Juvenile Probation Residential Contract Care Supervisor if a Resident in placement makes an unauthorized departure, becomes seriously ill, or is involved in a serious accident. In the event of serious illness or accident and for any required follow-up care, Service Provider will transport the Resident to the nearest hospital or emergency care facility.

6.13 **Discharge and Release.** Juvenile Probation reserves the right to terminate a Resident's placement with Service Provider at its discretion. Service Provider must not release a Resident to any person or agency other than an authorized Juvenile Probation designee without the express consent of the Residential Contracted Care Supervisor.

For purposes of PREA, a "Juvenile Facility" is a facility that, on an annualized basis, more than 50% of its population consists of juveniles confined pursuant to the juvenile justice or criminal justice system.

- A. If Service Provider's Facility is a "Juvenile Facility", Service Provider will adopt and comply with the PREA standards and permit Juvenile Probation to monitor its Facility and records as necessary to ensure that Service Provider is complying with PREA standards. Service Provider will also provide to the Juvenile Probation Placement Coordinator a copy of its most recent PREA audit and a copy of each subsequent audit. The cost of conducting a PREA audit will be the responsibility of Service Provider.
- B. If Service Provider's Facility is not a "Juvenile Facility", Service Provider will provide to the Juvenile Probation Contracts Attorney a letter signed by an authorized representative of Service Provider that states: "On an annualized basis, less than 51% of our facility population is comprised of juveniles confined pursuant to the juvenile justice system or criminal justice system."

VII. EVALUATION CRITERIA

7.1 Juvenile Probation will monitor and evaluate Service Provider for programmatic compliance with this Agreement and the effectiveness of Service Provider's program based on the goals, outputs, and outcomes listed below. Service Provider will provide to the Placement Coordinator the information contained in sections 7.1.B.1-4 and 7.1.C.1-3, below, by the 15th day following December 31st, March 31st, June 30th, and September 30th. These reports will only be completed if a Resident has received services from Service Provider during the reporting period.

A. **Goals.** Juvenile Probation will evaluate Service Provider's performance under this Agreement according to the following specific performance goals:

- 1. Ensure that each Resident shows improvement in the goals set forth in the Resident's ITP.
- 2. Ensure that each Resident successfully completes placement at the Service Provider's program.
- 3. Ensure that the Service Provider's program effectively promotes the prevention of a Resident's re-referral to the juvenile or criminal justice system, or commitment to TJJD.

B. **Outputs.** Juvenile Probation will additionally evaluate Service Provider's

performance under this Agreement according to the following output measures:

1. The number of Residents who received services in Service Provider's program during the monitoring period.
 2. The number of Residents who made progress in their identified goals set forth in the ITP. If a Resident has shown improvement in 50% or more of the identified goal(s) during the monitoring period, the Resident will be considered to have made progress.
 3. The number of Residents who were successfully discharged from Service Provider's program.
 4. The number of Residents who were unsuccessfully discharged from Service Provider's program.
- C. **Outcomes.** Juvenile Probation will further evaluate Service Provider by the following outcome measures:

 2. Percentage of Residents who were successfully discharged from Service Provider's program.
 3. Percentage of Residents who were unsuccessfully discharged from Service Provider's program.
 4. Percentage of Residents who were successfully discharged from Service Provider's program and subsequently re-offended and/or were committed to TJJD within one, two, and three years of completion.

VIII. COMPENSATION

8.1 **Per Diem Rate.** For and in consideration of the above-mentioned services, Juvenile Probation agrees to pay the Service Provider the daily rate per day for each juvenile admitted for the following Level of Care:

A.	Basic Level of Care	\$ <u>N/A</u>
B.	Moderate Level of Care	\$ <u>N/A</u>
C.	Specialized Level of Care	\$ <u>250.00</u>
D.	Intensive Level of Care	\$ <u>N/A</u>

**The daily rate shall be paid to the Service Provider from the initial intake date to through the date prior to the exit date. There will be no charge on day of exit. **

8.2 **Additional Costs.** Additional Costs. Any and all medical, dental, or psychiatric treatment costs, as well as other expenses not provided in Service Providers program, the Service Provider shall submit through electronic notification (i.e., email) identified services, dates of services and estimated costs. Based on information submitted by the Service Provider, a Juvenile Probation employee will generate an authorization of service contract. An

authorization of service contract must be approved by the Juvenile Probation and received by Service Provider prior to services being rendered. Failure to do so will result in Service Provider absorbing the cost for services not approved. The Service Provider shall designate an e-mail address of where the authorization of service contract must be submitted by the Juvenile Probation. Exceptions may be granted if it is medically determined that dental and/or medical services are required due to an emergency involving an immediate danger to the health and safety of the client.

Polygraph. For children participating in sex offender treatment, the cost of the Offense Summary Polygraph and the Sexual History polygraph will be paid by the Service Provider. Additional polygraphs required due to the child failing one or both of the aforementioned exams will be paid by the Service provider. Service Provider shall not seek reimbursement for any polygraph administration.

8.3 **Payment from Other Sources.** Service Provider will use its best efforts to seek and obtain all benefits available from other sources for a youth's medical, dental, psychiatric, or other costs that are not included in the per diem rate. Service Provider will initiate and complete any appropriate Medicaid application and complete all necessary documentation to obtain reimbursement for a Resident who may be eligible for Medicaid. Any income received by Service Provider toward the support of a Resident from sources other than this Agreement, including (without limitation) a Resident's parent/legal guardian/custodian, Medicaid, Social Security, medical insurance coverage, or other sources, must be documented as to each Resident for whom a billing is submitted and deducted from the invoice submitted to Juvenile Probation. Documentation must include the Resident's name, Resident's PID number, the dates and times services were provided, and such other information deemed necessary for adequate fiscal control.

8.4 **Invoice Submission.** Service Provider will submit an invoice for payment of per diem rate services and additional costs for which Service Provider obtained prior approval from Juvenile Probation and was unable to recoup costs from other sources. Service Provider will submit an invoice for payment to the Juvenile Probation Fiscal Office on a monthly basis, within **10** working days following the end of the invoiced month, by emailing the invoice to **jpdaccounting.gem@epcounty.com**. Each invoice received for payment will be reviewed by Juvenile Probation to monitor Service Provider for financial compliance with this Agreement. The invoice will: be on Service Provider's letterhead; be given an invoice number; list the names of current Residents and their SID numbers, and reference the contract number assigned by Juvenile Probation. Each invoice will include information necessary for adequate fiscal control, including (without limitation): number of placement days for each Resident, specific dates of placement; additional medical, dental, psychiatric, and other services as pre-approved by the Juvenile Probation Residential Contract Care Supervisor or as provided in the event of emergency; the level of care provided for each Resident; and the current per diem rate. Invoices submitted by Service Provider in proper form will be paid by Juvenile Probation in a timely manner. Any invoices received 30 days after the 10 working days following the end of the invoiced month, may not be processed for payment. Any inquiries regarding an invoice or payment should be directed to **jpdaccounting.gem@epcounty.com**.

- 8.5 **Furloughs.** Juvenile Probation recognizes that part of a Resident's rehabilitation may include time away from Service Provider's Facility, such as weekends and holidays, and that Service Provider must retain space for the Resident until his/her return. To this end, Juvenile Probation agrees to pay Service Provider the full amount due for such regularly scheduled days away from the residential setting or its program, provided they do not exceed **four** days per month per client and that prior approval has been obtained by Juvenile Probation. Furloughs will not be authorized for the first **90** days of placement, or until the completion of the first ITP Review, whichever comes first, except in only highly unusual situations. ITPs may warrant more than **four** days away from the Service Provider's facility. However, this may only be done if approved in writing by the Juvenile Probation Residential Contract Care Supervisor, and any such additional days will not be charged to Juvenile Probation.
- 8.6 **Duplicate Payments.** To avoid duplicate payments for Residents being transferred to another childcare agency under contract with Juvenile Probation, the other childcare agency will bill Juvenile Probation on the day the Resident is transferred into their program; Service Provider will not bill Juvenile Probation for the last day of care.
- 8.7 **Other Costs.** Services which are not directly addressed by this Agreement must be submitted for approval with associated billing for reimbursement from Juvenile Probation.
- 8.8 **Payment Claims.** Service Provider agrees to make claims for payment or direct any payment disputes to Juvenile Probation's Fiscal Officer at **jpdaccounting.gem@epcounty.com**. Service Provider will not contact other department employees regarding any claims of payment.
- 8.9 **Funding Contingency.** Service Provider agrees and understands that all financial obligations of Juvenile Probation provided for in this Agreement for which current revenue is not available will be contingent on the availability of appropriated funds to meet Juvenile Probation's obligations.

IX. ACCOUNTING, REPORTING, & AUDITING

- 9.1 **Eligible to Receive State Funds.** Pursuant to Texas Family Code § 231.006, Service Provider certifies that it is eligible to receive payment for services under this Agreement and that no individual, sole proprietor, partner, shareholder, or owner with an ownership interest of at least 25% in Service Provider's agency, who has been ordered to pay child support under Title 5 of the Texas Family Code, is more than **30** days delinquent. Service Provider acknowledges that this Agreement may be terminated, and payment may be withheld, if this certification is inaccurate. **(Exhibit B)**
- 9.2 **Acceptance of State Funds.** Service Provider understands that acceptance of state funds under this Agreement acts as acceptance of the authority of the El Paso County Auditor's office, or any appropriate state agency, or any successor agency, to conduct an audit or investigation in connection with those funds. Service Provider further agrees to cooperate

fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. Service Provider will ensure that the foregoing clauses concerning the authority of the State of Texas to audit and the requirement to cooperate are included in any subcontract or arrangement Service Provider enters into in which funds received under this Agreement form all or part of the consideration.

- 9.3 **Generally Accepted Accounting Principles ("G.A.A.P.").** Service Provider acknowledges that state funds may be used to pay for services rendered to under this Agreement. For this reason, Service Provider will account separately for the receipt and expenditure of all funds received from Juvenile Probation, and will adhere to G.A.A.P. in the accounting, reporting and auditing of such funds.
